IMPORTANT REMINDER

International students must have funds on deposit and available for withdrawal from U. S. banks or other sources to cover all living, personal, and educational expenses for the time period of their stay. Financial aid is not available to international students. Funds must be constantly available to ensure adequate financing during the entire term of enrollment.

The estimated living expenses are the minimum amount of funds estimated by Sullivan and Cogliano Training Centers, Inc. you will need based on shared occupancy. Depending on your lifestyle, you may require more funds than are estimated above. You should never anticipate requiring funds less than the amounts listed on your I-20.

Anticipate an additional \$500 per month per dependent planning on staying with you.
